

## Instructions for Commissioners/Advisers on Forms Retention

New guidelines from our national office will help us better protect the personal information of girl and adult Members. Most forms that are completed by Members for whom you are responsible must be sent to your iMIS home (Bridging Rivers Area office, Southern Horizons Area office, or Provincial office), where screened staff members will manage them in accordance with provincial and federal privacy legislation.

Why is this system being put in place? In order to comply with privacy legislation and to protect the privacy and safety of our girl and adult Members, Saskatchewan Council decided the safest place for personal information is in the province's three iMIS homes. The envelopes will not be opened by anyone who has not undergone the same screening as you did to become a Guider. The confidentiality of the forms will continue to be protected by the staff members.

Please refer to the "Instructions for Unit Guiders on Forms Retention" for information on submitting forms relating to Units or other events/activities.
