

## *Do you know someone who would benefit from Girl Guides?*

**All girls in Saskatchewan** have the opportunity to belong to Girl Guides of Canada-Guides du Canada.

The registration fee is more than some girls can pay, but that doesn't have to stop them from fully participating in the Guiding program. **Project Lend a Hand ensures that every girl has the opportunity to make new friends and challenge her own abilities.**

Please speak to a Guider in your community, or contact our provincial office at:

## *Every girl is special in Girl Guides!*

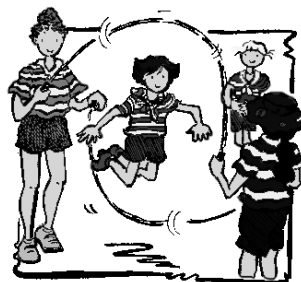

Girl Guides of Canada-Guides du Canada is a Movement of girls and women that challenges its Members in their personal development and empowers them to be responsible citizens.

Our programs are ever-widening, remaining relevant in today's changing society. **Girls learn by doing!** Guiding is about:

- camping and being outdoors
- making new friends
- learning to take responsibility
- caring for the natural environment
- being active and keeping fit
- building pride in one's heritage
- giving service and contributing to the community
- learning about careers, the arts, technologies
- international friendship and understanding
- travel opportunities

## *Most importantly, it's about having fun!*

## **APPLICATION PROCEDURE**

1. The Unit Guider submits an application form (see reverse) on behalf of the girl, to the provincial Girl Guide office. If the application is for a Guider's daughter the submission must be by the District Commissioner or her designate.
2. The "Supporter" for the application must be an adult who is familiar with the girl's circumstances in the Supporter's role as a teacher, principal, religious leader, or professional in social work or family services. If none of these are available, a parent's employer may be acceptable as a Supporter. The Supporter must be from outside the Girl Guides of Canada organization.
3. The application will be reviewed by a committee for approval.
4. If the application is approved, the national and provincial portion of the registration fee will be paid directly by the provincial office. The balance of the fee will be the girl's or the Unit's responsibility.
5. The provincial office will notify the area commissioner of Units receiving Project Lend a Hand subsidies.

## **IMPORTANT NOTICE**

**Applications must be received by the provincial office within 60 days from the date of the girl's registration.**

**Project Lend a Hand has limited funds to assist with registration fees.**

**Applications received after the funds are spent will be advised that assistance through Project Lend a Hand is not available and another funding source must be explored.**
